

28. Ix-Xitla tal-Qamh

Meta x-xitla tal-qamh titbiel u tinxef,
u ssir huxlief u tiben, in-nies jghidu
li mietet, u bil-mingel fl-art jitfugha
sew sew bhall-Mewt.

In-nies ma jghidux sew; tal-qamh ix-xitla
qabel ma tinxef taghmel bhal miraklu:
tigbor sahhitha kollha, z-zokk, il-weraq,
l-gheruq, l-ghekiesi,

Il-hajja u kull ma ghandha, u gewwa l-qamha
trosshom sew sew, u dik il-qamha ckejkna
tinzel taht l-art biex terga' ttella' x-xitla
tal-qamh il-gdida;

Sew sew bhax-xemx li toghd's fil-bahar ahmar
fl-ghaxija fil-punent biex tinbet l-ghada,
u tohrog rasha hamra f'xafaq abjad
u ma tmut qatt!
