

25. Lill-Ghasfur tal-Bejt

Inhobbok, ghasfur ckejken,
ghaliex bhall-grazzja t'Alla,
int tbejjet fir-rewwieha tad-dar tieghi
kif tbejjet fil-kampnar tal-kattidral;
u mieghek, ghasfur ckejken,
inhobb bi mhabba kbira
lill-frieh tieghek
qishom uliedi;
Alla hares
tigri xi haga lilhom qabel jsofru
minn gor-rewwieha!
Biss,
haga wahda biss,
nixtieq minghandek,
ghasfur ckejkuni:
meta fit-taqbid tal-hajja
jien nishar tard,
ghid lil uliedek ma jqumux minn kmieni
ipespsu, jpespsu, jpespsu
minghajr waqfien!
Ghidilhom, jekk joghghobhom ihalluni
norqod u norqod u norqod
fis-sliem.
